CRIMINAL APPLICATION 400/2006

1. Heard both sides. The appeal has been admitted on merits. There appears to be variation between the ocular evidence and the medical evidence in the sense that though all the witnesses talked about assault on the private part of the deceased, the Doctor has not deposed to any such injury similarly. Evidence of Doctor does not indicate any

injury on the back which can be caused by grinding stone. The applicants were on bail in the trial Court. There is no allegation of abusing of bail. Maximum sentence is of 5 years. In the circumstances, pending the hearing and final disposal of the appeal, applicants may be released on the same bail as in the trial Court subject to their furnishing fresh bonds.
